Welcome to Africa Oyé 2023

Dance, smile, eat and most of all, enjoy!

To The Oyé Family

2023 IS A YEAR THAT OUR BEAUTIFUL CITY OF LIVERPOOL has welcomed music lovers from all over the world – even more so than we already do each and every year! If this is your first time at the Africa Oyé festival, we are delighted to have you, and we hope that you become part of our cherished Oyé family that returns every June to Sefton Park to celebrate and bask in the music and culture of Africa, the Caribbean and the Diaspora.

Following an anniversary year can be a challenge, especially with the line-up we put together in 2022 for our 30-year celebration. I hope you'll agree that our dedicated team has stepped up to the challenge and compiled a line-up of live acts, DJs and workshops that could rival any stage, anywhere in the country.

This festival has been without a doubt the most challenging financially that we've ever faced. Rising costs that can't be compromised on have meant that our annual call for donations, sponsorship and wider support is more important than ever if we all want Oyé to continue the way it has done for three wonderful decades.

Africa Oyé is a registered charity [No. 1062484]. The simplest way to help us is to donate any amount you can afford to via africaoye.com or by scanning the QR code on the bottom of the back page. The smallest amounts all add up and we appreciate any amount you can send our way, especially at a time when we know the cost of living is rising for us all.

You can also help keep this festival **FREE AND OPEN TO ALL** by purchasing refreshments at our bar, or by treating yourself to some official Oyé merchandise. The t-shirts in particular have been known to sell out before the Sunday has even begun in previous years so make sure you get one nice and early to show your support for Oyé all year round.

Our intrepid band of volunteers will also be on-site throughout the festival weekend and are able to take donations with their contactless card machines or cash via our official charity buckets [see page 21 for even more ways you can help!].

I'd like to personally thank all our funders, sponsors, partners and friends whose support allows us to keep this incredible event alive, with special mention to Arts Council England and Liverpool City Council.

As always, myself and the Oyé team wish you all a fantastic weekend, whether you're dancing, picnicking, taking part in our free workshops in the Oyé Active Zone, enjoying the DJ sets at Trenchtown and Freetown, or simply just soaking up the unique atmosphere in the park that only Africa Oyé can bring.

Peace and Blessings

TANYA STEPHENS

SATURDAY 17

Tanya Stephens has been described as one of Jamaica's 'most gifted songwriters' [Reggae Vibes Magazine], with her compositions receiving critical acclaim and comparisons to legendary names like Bob Marley.

Refusing to be limited by labels, Tanya expresses a deliberate intention to live outside of the box creatively and socially, and she covers the widest range of topics and expressions in her music.

Lauded as one of the "top female artists in Jamaica" [The Washington Post], Tanya boldly explores social issues not often addressed in her genre, urging fellow artists to be more socially responsible and to speak out against the objectification of women and homophobia.

Established in 2012, Trenchtown was the festival's inaugural dedicated DJ stage, initially launched in association with our friends at 'District'. At the far end of the park, Trenchtown is soundtracked by some of the country's top Afro-centric DJs as well as home-grown selectors playing music from across the African diaspora; dub, reggae, ska, jazz, Afrobeat, house and much more. Trenchtown also features the original Oyé Inn, our merchandise stall, and a comfortable seating area ideal for chilling out. For those feeling more active, there will also be plenty of space for dancing the weekend away!

Every drink you purchase from an Oyé Inn helps keep the festival free for all to enjoy.

We have three licenced bars in the festival grounds, with all day long DJ sessions at 'Trenchtown' and 'Freetown'. We would advise anyone drinking alcohol at Oyé to be sensible, pace yourself, know your limits, and stay with friends.

PLEASE NOTE:

We operate a Challenge 25 policy on site, and Oyé's bars are card payment only.

OYÉ MERCHANDISE

A percentage of money spent on Oyé merchandise and at the Oyé Inns will be invested back into supporting the Oyé festival.

Africa Oyé is striving to make the festival accessible for everyone. Once again we feature an Accessible Viewing Platform, British Sign Language on the main stage to accompany our festival acts, as well as a dedicated Access Tent. Our on-stage high-definition video wall assists those with visual impairments and we have also increased the stewarding around our disabled toilets.

Toilets

There will be plenty of public toilets, including accessible toilets, around the Oyé festival site.

Internet

There are various ways to get online at Oyé. This year, Oyé will have increased connectivity, with many wifi hotspots across the festival site as well as 4G and 5G signal in the park.

If you share your photos and videos, please be sure to tag us; @africaoye #africaoye

Drinking

We would advise anyone drinking alcohol at the festival to be sensible, to know your limits, and to stay with friends. **We operate a challenge 25 policy at the bars**, and stewards will be on site to ensure there is no underage drinking.

At The Oyé Festival and After Parties

Please be aware, any person found to be trading food or goods on site without licences or permits risks prosecution.

The official ‘after parties’ are organised by independent promoters, who support the Africa Oyé Festival.

Thank You

We really appreciate all of the support for the festival and there are many ways in which you can help Africa Oyé. **See page 21.**

If we all do just one of those things, it’ll be a great step towards keeping Oyé free for years to come. We are a registered charity and as such, all proceeds are reinvested into the organisation. Oyé still needs help and support to continue as a **FREE festival**, open to all.

Thank You all for your continued support and we look forward to seeing you in Sefton Park

Your journey to Africa Oyé in Sefton Park

Please have a safe journey when travelling to and from the Africa Oyé Festival. There are many ways to get to the Review Field in Sefton Park, including; walking, cycling or travelling by bus or by train using Merseyrail and Merseytravel services.

If you are driving, **Africa Oyé** gets really busy so parking will be very limited.

Why not choose a healthier and greener option by cycling, walking, or utilising public transport where possible?

By Bike: If you are cycling to Africa Oyé, please see the map/follow the directions at the link below. You can always use Citybike, the 24 hour on-street bike hire service, providing bicycles for hire for residents and visitors from an increasing number of automated stations across Liverpool city centre and the surrounding area. Visit citybikeliverpool.co.uk

By Scooter: 400 hundred e-scooters are available to hire in the city. How to hire an e-scooter is available on www.voiscooters.com where you can also download the ‘VOI Scooters: Get Magic Wheels’ app.

By Rail: Getting the train to Oyé couldn’t be easier with Merseyrail. Sefton Park’s Review Field is just over 1 mile away from St Michaels station on the Hunts Cross line. Use L17 3AD for walking directions on Google Maps.

Alternatively, you can plan your journey using the Merseyrail App and also get live departure times and directions to each station. The Merseyrail App is available to download for free from the Apple App Store and Google Play for Android. Visit merseyrail.org for more information including Access provisions.

By Bus: There are a number of buses that will take you to Sefton Park. Service 75 from Liverpool ONE Bus Station or Great Charlotte Street to Halewood operates every 15 minutes on Saturday, every 30 minutes on Sunday. Services 80 and 80A from Liverpool ONE Bus Station or Great Charlotte Street to Speke & Liverpool Airport combined services operate from every 20 minutes on Saturday, and the 80A runs from every 20 minutes on Sunday.

Other services that serve Sefton Park;
26/27 – Sheil Road Circular. 60 – Aigburth Vale – Bootle
76 – Liverpool ONE – Halewood. 82 – Liverpool ONE – Speke
82A – Liverpool ONE – Murdishaw via LJLA
500 – Liverpool ONE – Liverpool Airport Express Service

For more timetables and bus journey planning visit arrivabus.co.uk/north-west

By Road: Set your SatNav to L17 3AD. At Sefton Park turn onto Croxteth Drive and you will arrive at the Oyé site and a **drop off point**. Parking around the park is extremely limited and the roads can be very busy, please, only drive to Africa Oyé if it is essential. Please consider car sharing to Africa Oyé this year, we can have a real impact on our carbon footprint if we reduce the amount of car journeys.

Please note: Car parking in the immediate vicinity of the festival is limited, and predominantly for residents.

Where To Stay

Liverpool has a wide range of accommodation from hotels to guest houses to apartments so why not stay for the weekend.
